

APPLICATION CANDIDATE FOR COMMITTEE APPOINTMENT

Klahanie is about community. Volunteering your time to a Klahanie Committee not only gives back to your community but continues to improve us every day. Your talent and skills are valuable. It's not only needed but valued and appreciated. Thank you for applying! Our committees are comprised of 3 to 7 members. Each committee member application is reviewed by the committee and individuals are appointed by the Board of Directors.

Please indicate which committee board you are interested in serving on:

- ACC Committee
- Building and Special Projects Committee
- Communications Committee
- Events and Community Engagement Committee
- Finance and Operations Committee
- Fines Committee
- Government and Public Affairs Committee
- Sports and Recreation Committee

Board appointments are based on the following criteria:

1. All candidates must be members in good standing with the Association.
2. There must be a position available on the committee denoted by the Candidate. Additional considerations are given to ensure that each committee has:
 - a) equal representations from divisions within Klahanie,
 - b) representation from a variety of occupations, and
 - c) volunteers who are dedicated to serve Klahanie (based on past community involvement).

Candidates are appointed to a two (2) year term of service. Candidates will live in Klahanie – either owning a housing unit or renting a housing unit or apartment. Consideration will also be given to Klahanie homeowners living outside the community (therefore renting their home to another person) who continue to show significant involvement in the general activities of the community. All positions are volunteer positions with no remuneration expectations.

General questions regarding a committee appointment can be directed to the KHOA Office by phone at (425) 392-4663 or email info@klahanie.com.
